Fun in First - A Teaching Blog by Jodi Southard

I love working with small groups in my classroom. If I could figure out a way to work with small groups all day long, it would be amazing. I feel like this portion of my day is so important. I really get to know my students strengths and weaknesses, and I'm able to really focus on their exact needs. So, what are my Guided Reading must haves? This post does contain some affiliate links for your ...

Fun Guide for First Time Visitors to Gdask : poland
If I had to come up with the number one thing that the majority of my students struggle with when it comes to math each year, it would definitely be story problems. The whole process of reading through the problem, figuring out how to solve it, and explaining their thinking afterwards is so challenging for first graders.
