Understanding  
contemporary maritime  
piracy  
Under international law,  
many of the attacks against  
ships that are commonly  
characterized as piracy  
actually fall outside of the  
legal definition of piracy.  
This has widespread  
implications for States  
seeking to undertake law  
enforcement activities to  
combat attacks and address  
maritime security concerns

in order to establish a safe  
maritime environment for  
shipping and seafarers.

"This volume provides a
