Our digital library saves in combination countries, allowing you to acquire the most less latency era to download any of our books taking into account this one. Merely said, the Its A Wonderful Afterlife Volume Two Further Adventures In The Flipside Its A Wonderful Afterlife Book 2 is universally compatible in imitation of any devices to read.

Smart Social Media is the definitive hands-on guide on how to claim your share of the current social media marketing boom and how to build a lucrative business part-time by providing social media marketing services to businesses and entrepreneurs both locally and worldwide. This guide collects valuable lessons from current Social Media Managers and highlights key marketing strategies related to Facebook, video marketing, and YouTube. In Smart Social Media, you will discover: Why there is such a high demand for Social Media Managers and so many opportunities for the services they offer How you can start TODAY, even if you have no prior experience Expert advice on how to close a sale with your clients, charge top dollar, and increase your fees Expert advice on how to avoid common pitfalls when starting out as a Social Media Manager Why being a Social Media Manager can provide for a great lifestyle How to deliver effective and powerful Facebook, video marketing, and YouTube campaigns to grow your clients' businesses How to grow your own business through outsourcing and delegation Other online marketing services you can offer to your clients And much, much more... This is a step-by-step guide that shares strategies and techniques you can implement immediately to build a successful social media marketing business for small businesses while living anywhere you want and servicing clients all around the world.

Example of one of the stories; Andy was eating bamboo quietly in his cage. Until he saw something that made him rage. A girl had a backpack, stuffed panda on the back. Andy thought it was his friend cuffed to a rack. He tried to pull his friend free and cut. The zookeeper misunderstood and shot him in the butt.

This is the Ninth Book of Richard Martini's Journey into the Flipside. Starting with "Flipside: A tourist's guide on how to Navigate the afterlife" Richard has been filming people under hypnosis talking about the afterlife, as well as filming people not under hypnosis talking about the afterlife. He's done interviews with mediums who work with law enforcement agencies nationwide on missing person cases ("Backstage Pass to the Flipside" with Jennifer Shaffer books 1, 2 and 3). He and Jennifer have a podcast where they weekly speak directly to folks no longer on the planet. (HackingTheAfterlife.com) The last book was "Architecture of the Afterlife" where he used the example of his father, R. Charles Martini, an architect in Chicago who taught him how to read a blueprint. In this book, he focuses on the knowledge his mother gave him, a concert pianist who used to perform regularly in Washington during WWII, who often invited the first chairs of the Chicago Symphony to their home. That began a lifetime in music, including performing with bands in LA ("Imminent Disaster") composing music for feature films ("Point of Betrayal" "Cannes Man"). In his interviews with mediums (Jennifer Shaffer, Kimberly Babcock, Raylene Nuanes) different musicians would come through to discuss what it was like for them on the flipside. By realizing he could ask more detailed questions from people who are no longer were on the planet, he took this musical journey into the "the afterlife." As Gary Schwartz PhD said about "Flipside" - "Once you've read this book, you'll never see the world in the same way again." A best selling author, he's an award winning filmmaker who has written and/or directed 9 films, documentaries "Flipside" and "Hacking the Afterlife" are available online. Praise for "Architecture of the Afterlife" - "One of the things that makes this book so compelling and justifiable, IS the amount of EVIDENCE Martini amasses to backup the interviews, experiences and explorations undertaken here" "Eye opening, fascinating, and entertaining" Another home run for Rich Martini." "Thought provoking, and just plain fun. I absolutely loved this book!"

Based on the largest near-death experience study in history, involving 3,000 people from diverse backgrounds and religious traditions, including nonbelievers, God and the Afterlife presents startling evidence that a Supreme Being exists—and there is amazing consistency about what he is

like. In his bestselling book Evidence of the Afterlife, Dr. Jeffrey Long showed us that there is a strong scientific case for life after death. Now, he goes further, revealing evidence that God is real. At the Near Death Experience Research Foundation, Dr. Long studied the stories of thousands of people who have journeyed to the afterlife. Though there are a wide variety of differences in how people experience NDEs—some see a bright light, others go through a tunnel, still others experience a review of their life—he discovered that many of the accounts shared a remarkably similar description of God; a Supreme Being who radiated love and grace.

Expanding on his analysis begun in Evidence of the Afterlife, God and the Afterlife is the first intensive exploration of the people who have reported going to the frontier of heaven, met God, and have returned to share their journey. Groundbreaking and profound, it provides new insight into the human experience and expands our notions of mortality, offering possibility, hope, and comfort.

An Autobiography

This is volume two of a two-volume study of a war and moon god religion that was based on the Mideast moon god religion of Sin. Dr. Michael Newton, best-selling author of Journey of Souls and Destiny of Souls, returns with a series of case studies that highlight the profound impact of spiritual regression on people's everyday lives. Edited by Dr. Newton, these fascinating true accounts from around the world are handpicked and presented by Life Between Lives hypnotherapists certified by the Newton Institute. After recalling memories of their afterlife, the people in these studies embarked on life-changing spiritual journeys—reuniting with soul mates and spirit guides, and discovering the ramifications of life and body choices, love relationships, and dreams by communing with their immortal souls. As gems of self-knowledge are revealed,

dramatic epiphanies result, enabling these ordinary people to understand adversity in their lives, find emotional healing, realize their true purpose, and forever enrich their lives with new meaning. Best Selling Author of "Flipside" (#1 in its genre at Amazon twice!) "It's A Wonderful Afterlife" takes a quantum leap forward into the afterlife, includes interviews with scientists discussing the source of consciousness, comparing near death experiences (NDE) with between life sessions (LBL), and includes interviews with people who claim to be speaking from the afterlife. There are a new between life sessions with astounding claims of contact with the afterlife, with experiencing God and understanding life's journey. Volume One has interviews with scientists, people who've experienced near death and between life sessions. Dr. Bruce Greyson discusses consciousness, Mario Beauregard discusses his field of neuroscience and the afterlife. Includes transcripts of between-life hypnosis sessions. Volume Two includes interviews with hypnotherapists, scientists like Gary Schwartz and others, transcripts from LBL sessions and controversial "conversations" with people who are no longer on the planet. Volume Two includes interviews with scientists (Dr. Bruce Greyson, Mario Beauregard, Gary Schwartz) who discuss consciousness after death, Robert Thurman on the death of death, other NDE experience as well as between life sessions. The author explores his own unconventional journey to this research, and includes a between life session of his own. Extensively researched, breathtaking in scope, "It's a Wonderful Afterlife" takes the reader on a wild ride, across the yellow brick road, into the Great Beyond. Praise for "Flipside" "Richard has written a terrific book. Insightful, funny, provocative and deep; I highly recommend it!" Robert Thurman ("Why the Dalai Lama Matters") "Everyone should have a Richard Martini in their life." Charles Grodin ("Just When I Thought I'd Heard Everything!") "Inspiring, well written and entertaining. The kind of book where once you have read it, you will no longer be able to see the world in the same way again." Gary E. Schwartz PhD ("The Sacred Promise") "We viewed "Flipside" last night and were blown away about how good it is; the visuals were outstanding - the care taken in putting it all together really shows." Michael Newton ("Journey of Souls") (about the film version of "Flipside") Oxford Studies in Philosophy of Religion is an annual volume offering a regular snapshot of state-of-the-art work in this longstanding area of philosophy that has seen an explosive growth of interest over the past half century. Under the guidance of a distinguished editorial board, it publishes exemplary papers in any area of philosophy of religion. Michael Newton ("Journey of Souls") (about the film version of "Flipside") A brief journey on the start of a long road through everything.

From the origins of life to magic and myth, even politics and sex. This book takes a look into each subject and how we treat them, some of which how we could improve. Each subject is laced with humorous undertones to keep it easy and fun to read. These concepts and opinions are presented in a way to entice one to challenge their current beliefs and think in new and diverse ways. Not everything we know is as it seems, and everything starts somewhere. What is found in this epic may be elsewhere; What is not in this epic is nowhere else. —from The Mahabharata The second longest poem in world literature, The Mahabharata is an epic tale, replete with legends, romances, theology, and metaphysical doctrine written in Sanskrit. One of the foundational elements in Hindu culture, this great work consists of nearly 75,000 stanzas in eighteen books, and this volume marks the much anticipated resumption of its first complete modern English translation. With the first three volumes, the late J. A. B. van Buitenen had taken his translation up to the threshold of the great war that is central to the epic. Now James Fitzgerald resumes this work with translations of the books that chronicle the wars aftermath: The Book of Women and part one of The Book of Peace. These books constitute volume 7 of the projected ten-volume edition. Volumes 4, 5, 6, 8, 9, and 10 of the series will be published over the next several years. In his introductions to these books, Fitzgerald examines the rhetoric of The Mahabharatas representations of the wars aftermath. Indeed, the theme of The Book of Women is the grief of the women left by warriors slain in battle. The book details the keening of palace ladies as they see their dead husbands and sons, and it culminates in a mass cremation where the womens tears turn into soothing libations that help wash the deaths away. Fitzgerald shows that the portrayal of the womens grief is much more than a sympathetic portrait of the sufferings of war. The scenes of mourning in The Book of Women lead into a crisis of conscience that is central to The Book of Peace and, Fitzgerald argues, the entire Mahabharata. In this book, the man who has won power in the great war is torn between his own sense of guilt and remorse and the obligation to rule which ultimately he is persuaded to embrace. The Mahabharata is a powerful work that has inspired awe and wonder for centuries. With a penetrating glimpse into the trauma of war, this volume offers two of its most timely and unforgettable chapters. Best Selling Author of "Flipside" (#1 in its genre at Amazon twice!) My Life After Life

Backstage Pass to the Flipside Book One

Surviving Death

A Posthumous Memoir

Tuning Into the Afterlife

Life Between Lives Stories of Personal Transformation

"Everyone who has ever lived continues to exist on the Flipside and if possible, can be asked direct questions." In "Backstage Pass" Richard interviews people "no longer on the planet" with the assistance of Jennifer Shaffer, Medium/intuitive, and lifelong friend Luana Anders (who is on the flipside) At once funny, wistful and unsettling, Sum is a dazzling exploration of unexpected afterlives—each presented as a vignette that offers a stunning lens through which to see ourselves in the here and now. In one afterlife, you may find that God is the size of a microbe and unaware of your existence. In another version, you work as a background character in other people ' s dreams. Or you may find that God is a married couple, or that the universe is running backward, or that you are forced to live out your afterlife with annoying versions of who you could have been. With a probing imagination and deep understanding of the human condition, acclaimed neuroscientist David Eagleman offers wonderfully imagined tales that shine a brilliant light on the here and now.

In this unorthodox tale of tragedy and transcendence, My Life After Life confronts the timeless question concerning what happens to us after death. The journey began when Dr. Stoller received a phone call learning that his 16-year-old son Galen had been killed. Shortly thereafter, Galen appeared and began communicating with his father in dream states. Once convinced it was actually his son, Dr. Stoller began journaling his communication from Galen, which led to this book.

" We Don ' t Die: A Skeptic ' s Discovery of Life After Death " gives credible evidence of life after death. The goal of " We Don ' t Die " is to have people believe that their deceased loved ones are still near them, help them navigate through the grieving process and educate that we are ' eternal souls having a human experience. It is unique because it teaches people about the grieving process, keeping relationships whole, gives awe inspiring exercises that the reader experiences that we must be ' more than our bodies. ' It gets readers in touch with the purpose of their lives and gets them on the path to producing results. Readers will no longer fear death, their pain of losing someone will be lessened, they will have hope, faith, and powerful access to live a

successful life.

A Skeptic's Discovery of Life After Death

Soul Revolution - Trinity of Humanity

What happens after we die? \_x000D\_ \_x000D\_ Author and award winning filmmaker Richard Martini explores startling new evidence for life after death, via the "life between lives," where we reportedly return to find our loved ones, soul mates and spiritual teachers. Based on the evidence of thousands of people who claim that under deep hypnosis, they saw and experienced the same basic things about the Afterlife, the book documents interviews with hypnotherapists around the world trained in the method pioneered by Dr. Michael Newton, as well as examining actual between life sessions. The author agrees to go on the same journey himself, with startling and candid results, learning we are fully conscious between our various incarnations, and return to connect with loved ones and spiritual soul mates, and together choose how and when and with whom we'll reincarnate. Martini examines how "Karmic law" is trumped by "Free will," with souls choosing difficult lives in order to learn from their spiritually; no matter how difficult, strange or complex a life choice appears to be, it was made in advance, consciously, with the help of loved ones, soul mates and wise elders.

Extensively researched, breathtaking in scope, "Flipside" takes the reader into new territory, boldly going where no author has gone before to tie up the various disciplines of past life regression. near death experiences, and between life exploration. In the words of author Gary Schwartz, PhD, once you've read "Flipside" "you'll never see the world in the same way again."\_x000D\_ \_x000D\_ Praise for Flipside:\_x000D\_ \_x000D\_ "Richard has written a terrific book. Insightful, funny, provocative and deep; I highly recommend it!" - Robert Thurman, author of Why the Dalai Lama Matters\_x000D\_ \_x000D\_ "Inspiring, well

written and entertaining. The kind of book where once you have read it, you will no longer be able to see the world in the same way again." - Gary E. Schwartz, author of *The Sacred Promise*

"Everyone should have a Richard Martini in their life." - Charles Grodin, author of *If I Only Knew Then... What I Learned From Mistakes*

"While exploring the evidence for an afterlife, I witnessed some unbelievable things that are not supposed to be possible in our material world. Yet they were unavoidably and undeniably real. Despite my initial doubt, I came to realize that there are still aspects of Nature which are neither understood or accepted, even though their reality has profound implications for understanding the true breadth of the human psyche and its possible continuity after death." So begins Leslie Kean's impeccably researched, page-turning investigation, revealing stunning and wide-ranging evidence suggesting that consciousness survives death. In her groundbreaking second book, she continues her examination of unexplained phenomena that began with her provocative New York Times bestseller *UFOs: Generals, Pilots, and Government Officials Go on the Record*. Kean explores the most compelling case studies of young children reporting verifiable details from past lives, contemporary mediums who seem to defy the boundaries of the brain and of the physical world, apparitions providing information about their lives on earth, and people who die and then come back to report journeys into another dimension. Based on facts and scientific studies, *Surviving Death* includes fascinating chapters by medical doctors, psychiatrists, and PhDs from four countries. As a seasoned journalist whose work transcends belief systems and ideology, Kean enriches the narrative by including her own unexpected, confounding experiences encountered while she probed the question concerning all of us: Do we survive death?

Reassurance and Hope From the Other Side Ever since she was a child, psychic medium Kristy Robinett has communicated with spirits who have shared their experiences of death and what happens afterwards. In this collection of heartwarming stories that answer the most common questions about the afterlife, Robinett delves into the nature of heaven, if there is a hell, and what the

transition to the Other Side is like. With personal experiences and stories from clients, Kristy explores the many signs and symbols that our loved ones share with us to assure that it is, indeed, a wonderful afterlife.

The second-longest poem in world literature, this is an epic tale, replete with legends, romances, theology, and metaphysical doctrine written in Sanskrit. One of the foundational elements of Hindu culture, this work in its entirety consists of 75,000 stanzas in eighteen books, and this volume marks the resumption of its first complete modern English translation.--From book jacket.

World-renowned psychic medium and Oxford-educated attorney Mark Anthony bridges the divide between faith and science in this fascinating afterlife exploration, taking you around the globe, from the cosmic to the subatomic, and into the human soul itself. Combining physics, neuroscience, and riveting true stories, this book:

- reveals how our "electromagnetic soul" is pure eternal energy that never dies.
- takes spirit communication, near-death experiences, and deathbed visions out of the shadows of superstition and into the light of twenty-first-century science.
- presents Anthony's RAFT technique to recognize contact with spirits, accept it as real, feel it without fear, and trust in the experience.
- provides hope for recovery from grief, PTSD, survivor's guilt, or a loved one's suicide or homicide.
- illuminates how contact with spirits is a powerful instrument of healing

and love.

These adorable little animals, who have met an untimely end, have an enchanting story to tell! The perfect collectible for fans of the super-popular brand.

Published with academic researchers and graduates in mind this survey of writings on King Lear is broad and includes contributions from a number of respected scholars.

The Pulpit Commentary was first published between 1880 and 1919 and is a highly respected work written by conservative, trustworthy men. Containing over 22,000 pages and 95,000 entries, it is one of the largest and best-selling homiletic commentary sets of all time. It was directed by editors Joseph Exell and Henry Donald Maurice Spence-Jones and utilized more than 100 authors over a 30-year span. When reading this commentary, it is not difficult to see why it has remained a favorite amongst pastors for more than 100 years. There are three key elements which set this apart from its contemporaries, the first being that it gives an exposition, or verse-by-verse, annotation of each verse in the Bible. The second element is that it explores the framework of the text, the homiletics. Finally, it supplies the homilies with multiple model sermons from various authors. Also included is a translation as well as historical and geographical information. The *Evangelical Magazine and Missionary Chronicle* declared, "This commentary bids fair to take a conspicuous place among the ever-multiplying aids to the study of the Holy Scriptures. It will revive the great work of Lange, and will far exceed the Speaker's Commentary in the bulk and fullness of its material. The peculiarity of the Pulpit

Commentary is that it offers special assistance to the preacher: first by giving him a critical and exegetical exposition of the text of Scripture, and then providing him with succinct and helpful directions as to the preachable aspects of the chapter and paragraph already explained." The print edition of this set typically retails for more than \$1,000 making the current offered price a very good bargain. Due to its size, it has been broken up into nine separate volumes: Volume 1 Genesis to Joshua Volume 2 Judges to 2 Kings Volume 3 1 Chronicles to Job Volume 4 Psalms to Song of Songs Volume 5 Isaiah to Daniel Volume 6 Hosea to Malachi Volume 7 Matthew to John Volume 8 Act to Philippians Volume 9 Colossians to Revelation The footnotes have been placed in line with the text with each footnote number enclosed in red brackets (i.e.: []) and the text in green. There is also a linked table of contents at the beginning of each volume for ease of navigation. Key Features \* Over 22,000 pages with more than 95,000 entries \* One of the largest and exhaustive commentary sets of its kind \* Contributions from over 100 authors \* Expositions—with thorough verse-by-verse commentary of each verse of the Bible \* Homiletics—with the framework or overall look of the text \* Homilies—four to six sample sermons from various authors \* Detailed information on Biblical customs \* Historical and geographical information \* Translations of key Hebrew and Greek words All 23 Volumes of the printed version are included in these nine volumes. 1. Genesis/Exodus 2. Leviticus/Numbers 3. Deuteronomy/Joshua/Judges 4. Ruth/1&2 Samuel 5. 1&2 Kings 6. 1&2 Chronicles 7. Ezra/Nehemiah/Esther/Job 8. Psalms 9. Proverbs/Ecclesiastes/Song of Solomon 10.

Galatians - Colossians 21. 1&2 Thessalonians - James 22. 1&2 Peter - Revelation The Land of Tomorrow God and the Afterlife We Don't Die Further Adventures in the Flipside Your Guide to Becoming a Highly Paid Social Media Manager Freedom from Toxic Beliefs: a Journey in Healing and Transformation Forty Tales from the Afterlives Developed by a team of authors who have spent many years making history accessible to a diverse range of readers, each chapter of MAKING EUROPE begins with clear learning objectives and timelines, and continues with an accessible narrative that uses focus questions throughout the text to help all readers understand historical concepts. The Check-In feature and the Test Yourself questions at the end of each chapter help you assess your understanding of the material. The text uses stories of ordinary people and their impact on history, and visually stunning images and maps that make learning history interesting. Available in the following split options: MAKING EUROPE, Second Edition Complete; Since 1300; Volume 1: To 1790; and Volume 2: Since 1550. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Continuing series of discussions with people no longer on the planet talking about what their journey was like on the flipside, including friends of the author, people the author knew, worked with or has spoken with; Robin Williams, Prince, Aretha Franklin, etc. In Handbook to the Afterlife, two seasoned

experts with decades of experience working with channeled material describe the stages that spirits go through, focusing on the details that these accounts have in common. Just as life itself has different stages of growth and development, so most accounts of the afterlife are consistent with the authors' view that dying and rebirth are also continuous processes. Beginning with the moment of death itself, progressing through different transitional stages, and ending with the return of spirits to the physical plane, authors Pamela Heath and Jon Klimo define the purposes and pitfalls of each stage. They look at the kinds of adjustment problems that occur in each phase, and how spirits can be helped to move forward. Questions of pain and emotional state at the time of death, karma, and reincarnation are sensitively addressed. The book includes practical techniques for opening up communication with those who have passed on to the other side. While of interest to anyone seeking a general overview of the subject, Handbook to the Afterlife is particularly useful for those dealing with spirits who have not moved on, such as ghosts. "The Land of Tomorrow" by William B. Stephenson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Annie Besant Inspiring True Stories from a Psychic Medium The Mahabharata, Volume 7 Oxford Studies in Philosophy of Religion The Flipside Code The Daily Show (The Book)

## The Face of the Iguana

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

An award-winning writer explores the patchwork American cultural history of grieving the departed. One family inters their matriarch's ashes on the floor of the ocean. Another holds a memorial weenie roast each year at a green-burial cemetery. An 1898 ad for embalming fluid promises, "You can make mummies with it!" while a leading contemporary burial vault is touted as impervious to the elements. A grieving mother, 150 years ago, might spend her days tending a garden at her

daughter's grave. Today, she might tend the roadside memorial she erected where her daughter was killed. One mother wears a locket containing her daughter's hair; the other, a necklace containing her ashes. What happens after someone dies depends on our personal stories and on where those stories fall in a larger tale?that of death in America. It's a powerful tale that we usually keep hidden from our everyday lives until we have to face it. American Afterlife by Kate Sweeney reveals this world through a collective portrait of Americans past and present who are personally involved with death: obit writers in the desert, an Atlantic funeral voyage, a fourth-generation funeral director?even a midwestern museum that shows us our death-obsessed Victorian progenitors. Each story illuminates details in another, revealing a landscape that feels at once strange and familiar, one that's by turns odd, tragic, poignant, and sometimes even funny. "Sweeney's quest for the "why" behind mourning rituals has given us a book in the best tradition of narrative journalism."-Jessica Handler, author of Braving the Fire: A Guide to Writing about Grief and Loss What happens after we die? Author and award winning filmmaker Richard Martini explores startling new evidence for life after death, via the "life between lives," where we reportedly return to find our loved ones, soul mates and spiritual teachers. Based on the evidence of thousands of people who claim that under deep hypnosis, they saw and experienced the same basic things about the Afterlife, the book interviews hypnotherapists around the world trained in the method pioneered by Dr. Michael Newton, as well as examining actual between life sessions. The author agrees to go on the same journey himself, with startling and candid results, learning we are fully conscious between our various incarnations, and return to connect with loved ones and spiritual soul mates, and together choose how and when and with whom we'll reincarnate. The author examines how "Karmic law" is trumped by "Free will," with souls choosing difficult lives in order to learn from their spiritually; no matter how difficult, strange or complex a life choice appears to be, it was made in advance, consciously, with the help of loved ones, soul mates and wise elders. Extensively researched,

breathtaking in scope, "Flipside" takes the reader into new territory, boldly going where no author has gone before to tie up the various disciplines of past life regression. near death experiences, and between life exploration. In the words of author Gary Schwartz, PhD, once you've read "Flipside" "you'll never see the world in the same way again." Praise for "FlipSide" "Richard has written a terrific book. Insightful, funny, provocative and deep; I highly recommend it!" Robert Thurman ("Why the Dalai Lama Matters") "Inspiring, well written and entertaining. The kind of book where once you have read it, you will no longer be able to see the world in the same way again." Gary E. Schwartz ("The Sacred Promise") "Everyone should have a Richard Martini in their life." Charles Grodin ("If I Only Knew Then... What I Learned From Mistakes") In The Face of the Iguana, Patrick McKallick tells the dramatic stories of how fear-based beliefs, both cultish and religious affected his life, emotionally, physically and mentally and his eventual healing. This book is not just for all those abused by toxic belief systems, but also those recovering from addictions. The author relates touching stories of his painful abandonment by his troubled parents and his final internment in an orphanage. He tells dramatic and amusing anecdotes that preserved his sanity, and the utter desperation of his cunning and miraculous escape from a toxic, doomsday cult. We are taken on a journey of events as varied as hiding under the bed from his raging alcoholic father to descending into the depths of a 16th-century church crypt where he gazed upon piles of human bones, the shock of which catapulted him unconsciously into a dark and ominous pit. We faithfully follow him as he describes the conclusion of the war in El Salvador and the mass fear and terror of the citizens of that country, to the comical circling of a vintage ocean liner in a beat up fishing boat with an old lady, a fisherman, and two young kids. This is not just a compilation of interesting stories, but clear guidance for anyone recovering from addictions including to fear-based belief systems and the ensuing guilt and anxiety. The author expertly provides revelations and insights into why we seek out toxic beliefs. Mr. McKallick reveals how his

investigation of a surprising and astonishing field led to his incredible healing and liberation from the effects of PTSD. The author learnedly introduces evidential research that mitigated his anxiety due to abusive belief systems and the fear of death. He describes the ensuing collapse of this fear and the promise of an astonishingly beautiful after-life.

A Tourist's Guide on How to Navigate the Afterlife  
Discover the enlightening and comforting true stories of Mark Anthony the Psychic Lawyer® as he helps people communicate with their loved ones in spirit. Evidence of Eternity is an uplifting journey that removes the fear and superstition surrounding spirit contact while addressing poignant questions about the afterlife. It provides insights on painful subjects such as crime, homicide, suicide, and survivor guilt. By bridging the gap between the spiritual and scientific, this groundbreaking book brings spirit communication into the modern era while reaffirming that God and heaven exist, the soul is an immortal living spirit, and that we will be reunited with our deceased loved ones. Evidence of Eternity introduces new and innovative terms and concepts explaining spirit communication based on science, theoretical physics, physiology, theology, and evidence. From karma and reincarnation to embracing the inner light, Evidence of Eternity is a cutting-edge perspective of life after death. Watch Mark Anthony discuss Evidence of Eternity here. Praise: "Mark Anthony the Psychic Lawyer® is exceptionally qualified to write about the afterlife: he is a renowned psychic medium and attorney who presents powerful evidence that deceased loved ones can communicate with us. The insights are

powerful, inspiring, and could change your life."—Dr. Jeffrey Long, author of Evidence of the Afterlife: The Science of Near-Death Experiences "Evidence of Eternity is an absolutely riveting book, full of highly evidential, fascinating cases and much spiritual wisdom. Five stars plus!"—Dr. Kenneth Ring, author of Lessons from the Light "A riveting book that opens your heart and mind to the reality of the afterlife. This book is unforgettable, and its messages are empowering. Read this right now!"—Dr. Joe Vitale, author of Zero Limits and star of The Secret "Addresses murder, suicide, death of children, and unresolved family issues with a mix of passion and logic like no other."—William Buhlman of the Monroe Institute for Out of Body Experiences "Evidence of Eternity logically explains the afterlife, all the while demonstrating that faith and science are not mutually exclusive."—Deborah King, author of Be Your Own Shaman and Truth Heals "Evidence of Eternity is provocative, stirring, endearing, and hopeful. For a guide to strong spiritual connection and means to personal discovery, this is a book you want to read."—Dr. My Haley, widow of Alex Haley and collaborator on his New York Times bestseller Roots After filming over 50 people under deep hypnosis saying the same things about the afterlife ("Flipside" "It's a Wonderful Afterlife" "Hacking the Afterlife") the author began recording interviews with people without hypnosis - live on the radio, in person, via skype, asking the same simple questions and found everyone describes the same journey. An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in

ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction. This edited volume is a collection of scholarly research on filmmaker Gurinder Chadha's work representing Indian culture in foreign lands. Contributors discuss the implications of such admixtures on acculturation processes, diasporic formations, and specific cultural experiences. Making Europe: The Story of the West, Volume I to 1790
