This ruggedly built grinder and press is designed for easy use,  
low maintenance and easy cleaning and will stand up to years of  
use. It's lightweight and portable! Grind and press most fruits  
such as apples, grapes and pears. Make cider, sweet and hard,  
apple vinegar, grape juice and wine.

During apple season and if you have apple trees in your backyard,  
you can enjoy making jams and apple juice with your meat grinder.  
But if you want to get a smooth apple jam, you need to peel off  
the skin and seeds and cut the apple into smaller chunks to run  
through the machine. Softer the apple pieces are, the smoother  
the jam will be.

Our grinder doesn't have a lever pushing down on the apples like  
Matthias' grinder does, but I can see how that might be nice,  
particularly if you're going with a motorized wheel. It looks  
like the pattern of his screws might push the apples toward the  
middle of the grinder, which makes good sense.
