Originally opened in 1924 as a train station, Kelso Depot was renovated and reopened in 2005 as the Visitor Center for Mojave National Preserve. Former dormitory rooms contain exhibits describing the cultural and natural history of the surrounding desert.

Mojave National Preserve may be less known than Death Valley and Joshua Tree National Parks but has unique attractions that are definitely worth visiting. The trek of Angelinos to the cult of Joshua Tree often makes it impossible to get a campsite there.

Visit Mojave National Preserve. You may also take a tour of Mitchell Caverns, which is located in a state run nature preserve within the national preserve (a fee for the tour is required). Summer temperatures are in the triple digits, making November through April the best time to visit the park.
