Strategies for Teaching the Play

Teacher Text Guides and Worksheets on Twelve Angry Men by Reginald Rose

Includes a biographical sketch of the author, criticism of film and screenplay adaptations, interviews with Henry Fonda on his role in the original film version, and insights into the play. Gathers several unsolved mysteries, from stolen diamonds to a New Year's Eve murder, and gives subtle clues that lead to the solution of the crimes.

In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own

story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother.

12 Angry Men

A Study Guide for Reginald Rose's "12 Angry Men (Film entry)," excerpted from Gale's acclaimed Drama For Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Drama For Students for all of your research needs.

"Beautifully written, painfully honest" first-person accounts of racial profiling, as experienced by twelve black men from all over America (Michelle Alexander, author of *The New Jim Crow*). In an era of contentious debate about controversial police practices and, more broadly, the significance of implications of race throughout American life, *12 Angry Men* is an urgent, moving, and timely book that exposes "a serious impediment to the collective American Dream of a colorblind society" (Pittsburgh Urban Media). In this "extraordinarily compelling" book, a dozen eloquent authors tell their own personal stories of being racially profiled. From a Harvard law school student tackled by a security guard on the streets of Manhattan, a federal prosecutor detained while walking in his own neighborhood in Washington, DC, and a high school student in Colorado arrested for "loitering" in the subway station as he waits for the train home, to a bike rider in Austin, Texas, a professor at a Big Ten university in Iowa, and the head of the ACLU's racial profiling initiative (who was pursued by national guardsmen after arriving on the red-eye in Boston's Logan airport), here are true stories of law-abiding Americans who also happen to be black men (Publishers Weekly).

12 Angry Men is a 1957 American courtroom drama film directed by Sidney Lumet, adapted from a 1954 teleplay of the same name by Reginald Rose. This courtroom drama tells the story of a jury of 12 men as they deliberate the conviction or acquittal of an 18-year old defendant [note on the basis of reasonable doubt, forcing the jurors to question their morals and values.

Twelve Angry Women

Insight Text Guide for Reginald Rose's Twelve Angry Men.

A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, Twelve Angry Men holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, Twelve Angry Men had a successful, and award-winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A dystopian novel for the digital age, The Word Exchange offers an inventive, suspenseful, and decidedly original vision of the dangers of technology and of the enduring power of the printed word. In the not-so-distant future, the forecasted “ death of print ” has become a reality. Bookstores, libraries, newspapers, and magazines are things of the past, and we spend our time glued to handheld devices called Memes that not only keep us in constant communication but also have become so intuitive that they hail us cabs before we leave our offices, order takeout at the first growl of a hungry stomach, and even create and sell language itself in a marketplace called the Word Exchange. Anana Johnson works with her father, Doug, at the North American Dictionary of the English Language (NADEL), where Doug is hard at work on the last edition that will ever be printed. Doug is a staunchly anti-Meme, anti-tech intellectual who fondly remembers the days when people used email (everything now is text or videoconference) to communicate—or even actually spoke to one another, for that matter. One evening, Doug disappears from the NADEL offices, leaving a single written clue: ALICE. It ’ s a code word he devised to signal if he ever fell into harm ’ s way. And thus begins Anana ’ s journey down the proverbial rabbit hole . . . Joined by Bart, her bookish NADEL colleague, Anana ’ s search for Doug will take her into dark basements and subterranean passageways; the stacks and reading rooms of the Mercantile Library; and secret meetings of the underground resistance, the Diachronic Society. As Anana penetrates the mystery of her father ’ s disappearance and a pandemic of decaying

language called “ word flu ” spreads, The Word Exchange becomes a cautionary tale that is at once a technological thriller and a meditation on the high cultural costs of digital technology.

Insight Text Guide

On Directing Film

Insight Study Guides are written by experts and cover a range of popular literature, plays and films. Designed to provide insight and an overview about each text for students and teachers, these guides endeavor to develop knowledge and understanding rather than just provide answers and summaries.

Agatha Christie once again demonstrates her mastery of the short form mystery with Parker Pyne Investigates—short stories of crime and detection featuring Parker Pyne, certainly one of the most unconventional private investigators ever to pursue a hot lead. Mrs. Packington felt alone, helpless and utterly forlorn. But her life changed when she stumbled upon an advertisement in the Times that read: "Are you happy? If not, consult Mr. Parker Pyne." Equally adept at putting together the fragments of a murder mystery or the pieces of a broken marriage, Mr. Parker Pyne is possibly the world's most unconventional private investigator. Armed with just his intuitive knowledge of human nature, he is an Englishman abroad, traveling the globe to solve and undo crime and misdemeanor.

An in-depth look at the making of the classic movie and its effect on filmmaking and society.

When The Graduate premiered in December 1967, its filmmakers had only modest expectations for what seemed to be a small, sexy art-house comedy adapted from an obscure first novel by an eccentric twenty-four-year-old. There was little indication that this offbeat story—a young man just out of college has an affair with one of his parents ’ friends and then runs off with her daughter—would turn out to be a monster hit, with an extended run in theaters and seven Academy Award nominations. The film catapulted an unknown actor, Dustin Hoffman, to stardom with a role that is now permanently engraved in our collective memory. While turning the word plastics into shorthand for soulless work and a corporate, consumer culture, The Graduate sparked a national debate about what was starting to be called “ the generation gap. ” In celebration of the film ’ s fiftieth birthday, author Beverly Gray offers a smart close reading of the film as well as vivid, never-before-revealed details from behind the scenes of the production—including all the behind-the-scenes drama and decision-making. For movie buffs and pop culture fanatics, Seduced by Mrs. Robinson illuminates The Graduate ’ s huge influence on the future of filmmaking. And it explores how this unconventional movie rocked the late-sixties world, both reflecting and changing the era ’ s views of sex, work, and marriage. An Amazon Best Book of the Month “ [Gray] writes smartly and insightfully. . . . The book . . . offers a fascinating look at how this movie tells a timeless story. ” —The Washington Post

True Stories of Being a Black Man in America Today

Reginald Rose and the Journey of 12 Angry Men

Screenplay

## A Novel

**THE STORY:** The action takes place in Glorious Hill, Mississippi, shortly before the First World War. Alma Winemiller, a sensitive and lonely young woman, has become increasingly restive and disturbed by the fear that she will remain a spinster. Hem

The first biography of a great television writer, and the story of his magnum opus In early 1957, a low-budget black and white movie opened across the country. Consisting of little more than a dozen men arguing in a dingy room, it was a failure at the box office and soon faded from view. Today, 12 Angry Men is acclaimed as a movie classic, revered by the critics and beloved by the public, and widely performed as a stage play, touching audiences around the world. It is also a favorite of the legal profession for its portrayal of ordinary citizens reaching a just verdict, and widely taught for its depiction of group dynamics and human relations. Few 20th Century American dramatic works have had the acclaim and impact of 12 Angry Men. Reginald Rose and the Journey of 12 Angry Men tells two stories: the life of a great writer and journey of his most famous work, one that ultimately that outshined its author. More than any writer in the Golden Age of Television, Reginald Rose took up vital social issues of the day - from racial prejudice to juvenile delinquency to civil liberties - and made them accessible to a wide audience. His 1960s series, The Defenders, was the finest drama of its age, and set the standard for legal dramas. This book brings Reginald Rose's long and successful career, its origins and accomplishments, into view at long last. By placing 12 Angry Men in its historical and social context--the rise of television, the blacklist, and the struggle for civil rights--author Phil Rosenzweig traces the story of this brilliant courtroom drama, beginning with the chance experience that inspired Rose, to its performance on CBS's Westinghouse Studio One in 1954, to the feature film with Henry Fonda. The book describes Sidney Lumet's casting, the sudden death of one actor, and the contribution of cinematographer Boris Kaufman. It explores the various drafts of the drama, with characters modified and scenes added and deleted, with Rose settling on the shattering climax only days before filming began. Drawing on extensive research, and brimming with insight, it casts new light on one of America's great dramas - and about its author, a man of immense talent and courage.

## Inside Stories

Walk Two Moons

The tragic tale of a Montana family ripped apart by scandal and murder: “ a significant and elegant addition to the fiction of the American West ” (Washington Post). In the summer of 1948, twelve-year-old David Hayden witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David ' s father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family ' s solid foundation was suddenly shattered by a bombshell revelation. The Hayden ' s Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice.

Winner of the Milkweed National Fiction Prize

"A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, Twelve Angry Men holds at its core a deeply patriotic belief in the U.S. legal system. The story's focal point, known only as Juror Eight, is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal biases. Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture of America, at its best and worst, to form."--Publisher description.

This book is based on the movie 12 angry men, a black-and-white film produced in 1957, and based on the book by the same name. It narrates the story of twelve jurors bound by the acceptance of their civic duty and thrust together into a hot, humid room to deliberate the guilt or innocence of a boy accused of killing his father in a moment of rage.
